Rune Drexler, Big Bad Wolf Jr., and Countess Jezebel Dracula are students at Master Dreadthorn's School for Wayward Villains. It's like military school for the children of famous villains; it's where you learn to be bad. But Rune is failing at his villainous studies, so when he lands himself in detention (again), Master Dreadthorn assigns him a Plot. In one week, Rune and his friends must find a henchman, steal a baby, kidnap a princess, and overthrow a kingdom. There's only one problem: Rune's not very evil. In fact, his behavior seems suspiciously heroic. . . . This hilarious adventure stretches across a fairy tale world where the mistakes of famous villains become valuable lessons for our heroes-er, villains. The mix of familiar characters and a wholly original Plot will delight young readers.
